MINISTRIES

I recently got a word from God for you... **BE ON THE RIGHT BUS!** This may sound so funny, but it's true!

Remember last month when I told you about how He put me on the right plane at the right time? I met several great contacts for our missionary work here in Southeast Asia on that one flight! **Once again, God has shown His perfect timing – even on my last bus ride!**

I recently met a beautiful couple who pastor a Baptist church here in Hong Kong at a luncheon. The pastor's wife invited me to a newcomer's tea at their home in another area of Hong Kong. It is two hours from where I live and I had never visited this area before. I got my directions and started on my journey.

Then, on my last bus ride, a smiling, blonde lady got on the bus and sat behind me. Not feeling very sure of where I was to get off, I asked if she was familiar with the bus route and we began a conversation that revealed that she was getting off at the same stop. **But the kicker was that she was a Methodist pastor's wife!**

We had an awesome response to the Bible College!

Plus, BOTH of these facilities we get to use for FREE!

God has shown me through meeting church leaders of all denominations that He is calling us as a Body to set aside our titles and manmade divisions and come together in the One thing we all agree on—Jesus and His love!

With that in mind, we recently had a great Charis Bible College informational meeting in Hong Kong. Our plan is that CBC Hong Kong will be a connector of all denominations centered around the unconditional love and grace of our Father!

Over 30 people attended the meeting and the response was tremendous! We have been supernaturally provided with a wonderful facility in which to hold our classes.

I love you all and without you, I wouldn't be on the right bus here in Southeast Asia!

Always remember that God is *good!*

love, Carol
