“WHAT HAPPENS TO ALL THE UNBORN BABIES?”

Each year, 13 million babies are aborted in one country alone in Southeast Asia. That's over 1/3 of the total babies in one year. The government in that country wants to keep the birthrate down, so they limit many families to just one child. If they do give birth to a child above their family limit, they will have to pay a huge fine. **Abortion seems like the only answer, because so many cannot afford to pay the fine.**

I know that so many Asian women must struggle with guilt and shame from making this decision. I remember how I felt for years after I made the same choices, too.

I had 4 abortions during my teens and early twenties—the first at age 13. I was scared, and I felt alone each time I found out I was pregnant. I thought this was the only way to go on with my life. **But I never moved on with my life by making those choices, and I carried so much guilt in my heart for years to come.** I always wondered, “What would my children be like if they had lived?” These questions plagued me for years, until I went to Charis Bible College.

In my ministry training at CBC, we were asked to perform a mock funeral. We each had to draw a scenario out of a hat, and the one I picked was “A new believer wants to have a memorial service for the child she aborted as a teenager.” I remember saying, ‘God, I can’t do this!’

After days of pushing it off, I knew I had to sit down and deal with this. As I was studying the Word, once again my mind wandered and I started to ask God again what their lives would have been like.

Then He stopped me and said “Carol, don’t think about what their lives would’ve been like. Think about what they are like, right now, right here

HE SAID TO ME,
“YOUR CHILDREN
CRAWL UP INTO
JESUS’ LAP
ANYTIME THEY WANT!”

with Me! The moment they were aborted they came straight to Me. Your children have never known pain, guilt, shame, condemnation. **They crawl up in Jesus’ lap any time they want and ask Him anything they want!”**

WOW! That knowing that they were literally in the presence of Jesus changed my whole perspective!

I know that so many women in Southeast Asia need to be set free from the guilt and unanswered questions after abortions, and **YOU** are taking this message of hope to them! Your support is changing lives!

Always remember that God is *good!*

love, Carol
