LOOK WHAT GOD DID!

Wow! I feel like one of the angels flying around the throne exclaiming “HOLY! HOLY! HOLY!” Only I’m saying “FAITHFUL! FAITHFUL! FAITHFUL! GOOD! GOOD! GOOD!” I never tire of saying it. I believe that as those angels fly around the throne, each time they move even the slightest bit, they see a new facet of the Lord and it makes them cry out at His greatness! That’s how it is with me and my relationship with Him!

Every difficult situation I face here in Hong Kong, God resolves it and shows off His faithfulness and goodness! **Less than 10 days after I wrote my last newsletter, my apartment was transformed!** There is a ministry in Hong Kong called Crossroads. They specialize in helping missionaries and ministers who have moved to the area furnish their homes.

A precious friend filled out the paper work for me and set up an appointment. We showed up and basically “went shopping!” They have a warehouse of donated furniture, appliances, and other housewares. **I was able to get a sofa, a large leather chair, a dinette, a double bed,**

*I love my beautiful new bedroom!*

*Our students enjoy fellowship at a prayer meeting*

a dresser, a nightstand, a washer and dryer, a refrigerator, a brand new kettle, a water dispenser, and a multi-cooker! Oh, God you are sooooo GOOD!

That morning I woke up on a blow-up mattress, with no way to cook or keep perishables, to having a fully-furnished home by that night! Thank you, Lord and thank you Crossroads!

**We are still working through the legal process of setting up the business end of CBC Hong Kong, but even in that God is showing off!** When we began the process I had one student...now **there are 6 first-year and 2 second year students!** God's timing is perfect and we are making sure that everything is set up the way it should be, even if it takes some time.

**Your love, prayers, and faithful giving make it possible for me to do what I do and I never forget that.** I'm praying for you daily and I love you so very much!

*love, Carol*

Yes! I want to help you take the God's love to Southeast Asia!
